

Social Streaming TV & Virtual Events Platform

Your museum. Open to the public, **virtually!**

Stream your exhibitions, gallery tours, tours with curators, public programs, and other special events online through our Social Streaming services. Millions of viewers will have access to view your videos.

**With our multi-channel solution,
you have access to up to 55 simultaneous video channels.**

With Social Streaming you can:

- Produce multichannel video streaming,
- Promote services via digital banners,
- Post news, and even
- Get your very own streaming platform.

You can deliver a virtual museum experience from almost everywhere, and it's more lasting and impactful than one-time events. Decide whether you want to broadcast live and/or recorded.

Our services are the perfect fit for your gym:

- Virtual Events - Host your very own virtual events such as exhibitions, and public programs.
- Streaming - Stream your gallery tours, behind the scenes of upcoming exhibits, and more, in real-time.

Expand to multi-users, more channels, and video storage. We got you covered with 7x24 support, even on weekends.

Reach your visitors virtually and increase your museum outreach.
