We track your sales and support customers in the checkout process. For every sale made in your UCX Affiliate portal, UCX calculates your commission and sends funds online at the end of the month.

## - No Upfront Investment, Inventory Management, and Order Fulfillment

Unlike selling physical inventory products, you don't need to invest upfront to buy the products you'd like to sell or worry about managing inventory. The products you promote belong to vendors who have joined the program. The vendors hold the responsibility of order fulfillment. And, there is no investment or ongoing fees required, there are absolutely no risks involved in becoming a part of the UCX Affiliate Marketing Program.

## - Nothing's On You to Figure Out

The vendor not you responsible for handling customer inquiries and complaints. As an Affiliate, all you care about is sharing the link and expecting your commission. UCX Market also assigns you dedicated Account Manager who will work closely with you to meet all your business needs.
