

## Post On YourTube, not YouTube

Tired of all the ads on YouTube, get your own Private Branded YourTube Platform

### 2022 VGTV-Virtual Global TV Media Kit

#### VGTV BANNER ADS

Provide your own banner or we can build one for you (banner is 1500x150).

See Explore More Today in image to the right with a strong CTA-call to action recommended on VGTV

in 5-second intervals up to 20 seconds - \$300 for 5-seconds per month with discounts available for annual placement.

#### CUSTOM VIDEOS

We are glad to do a **free** 1-2 minute video on your solutions, just email a website landing page [here](#). You can also visit [VirtualGlobalTV.com](http://VirtualGlobalTV.com) or [here](#) for 200+ quick 1-2 minute "short form" videos in either 16:9 desktop or 9:16 mobile format both for one fee. Note: 9:16 works for TikTok and LinkedIn supports both. We then build videos for you from scripts (no more than 1,500 characters including spaces not including title) provided by you or send a landing page and provide you a draft for approval within 24 hours 7-days a week. Once the script is approved, a draft video will be provided at no cost or obligation. Once video approved and payment received, video will be included on VGTV website for 30-day intervals up to one year. Fees are \$3-500.00 for each video for 30-days with special value offers available for annual placement and purchase of video for royalty-free use. In-depth business and technology article and video script writing is also available. If you want a bit more Hollywood style video [click here](#) and let us know and we can work with you and them to get it done - or do both our style and [TMPST](#).

Here are two examples of both formats:
