Linkedin "Content Accelerator" Services

Promoted to 55.4K+ Audience in Linkedin Group Click Here and Tom's Linkedin

Posting to the Group and Tom's Profile and REposting

Individual posts to the group of 27,336+ are $150 each or **four for $500.00**.

If you Add Tom's Profile of 28,100+ are $250 each for both accounts or **four for $900**.

Importantly, both are growing at up to 300+ followers each a month which means you gain new leads every day to promote your solutions.

If you do both, you also get your posts optionally posted for free to YouTube, TikTok, Facebook and Instagram (via Tom's account) – ask for details.

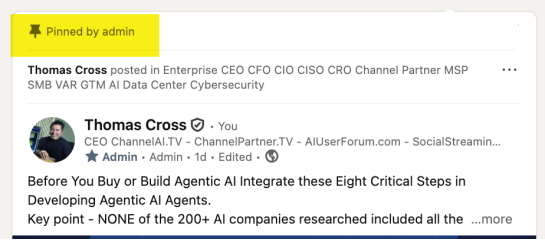

Discounts for Monthly or Quarterly commitments available. It works by you creating posts and submit for Approval or REposts of company page or people posts.

Partners and even more so customers want to get to know and trust you as the vendor who will not fail them causing them to lose their job or even career which is why you need to show them you are here for the long term. D.P CEO

Importantly, You get to keep all the new Linkedin followers for yourself forever giving you long-term momentum.

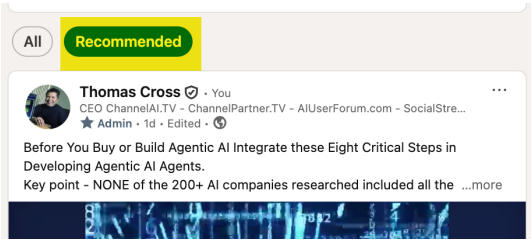

"Pinned" Posts

Posts are "pinned" to the Top of the Group go to Group to see pinned post for $400 each for five days. This is an upgrade to an individual post see below. This means you can upgrade your individual post to a "Pinned" post for $350 for one week.

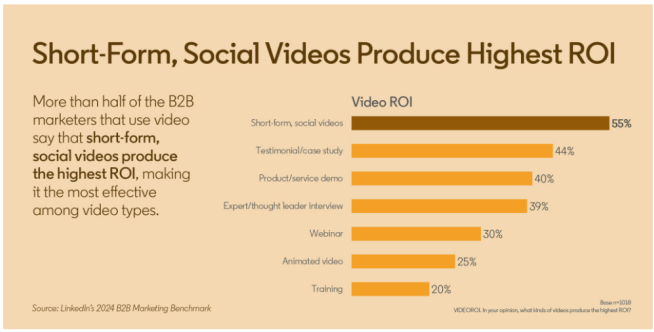

Linkedin Group Newsletter "Recommended Posts" to All Group Members

Once a week Linkedin allows three posts to be shared in a Recommended Newsletter Email that goes to **All 27,336+ members** to their **Linkedin Login Email** not Linkedin DM (glad to explain more) - deadline is Sunday 5PM for Monday PM email from Linkedin - $400 each.

According to Linkedin research, "elevator pitch" short videos produce the highest ROI.

88% of Linkedin users view and interact with content on a mobile device vertical format which one of the key reasons >Why "elevator pitch" quick videos have the Highest ROI and 26% Higher than "personality" videos, according to **LinkedIn video content is 100% on YouTube, TikTok and increasing on Instagram and Facebook.** There are more than 4,200 short-form videos posted to the Group as examples. The videos are 1-2 minutes long or about 150 words each. Of course, you can produce your own videos, however we can provide "elevator pitch" videos for $200 each for startup pitches, sales, news, blogs, webinars, website, and much more which can be included in posting services mentioned above.

There are other services including "highest scores ever" webinars, strategy services and more.
